#### TRIBUTE TO ARTHUR JAY FARO

HON. ANNA G. ESHOO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, September 27, 1996*

Ms. ESHOO. Mr. Speaker, I rise today to pay tribute to Arthur Jay Faro, an outstanding health administrator and a respected citizen, on the occasion of the celebration of his 32 years of dedicated service to the Sequoia Hospital District and our community.

Mr. Faro, a graduate of the University of Vermont and recipient of a Masters in Business Administration from George Washington University, began his career with Sequoia Hospital in 1964 as Director of Personnel and Services and became Chief Executive in 1989. Since that time he has served with the diligence and distinction that have marked all his years at Sequoia. His unparalleled leadership and consensus-building skills were critical to seeing Sequoia Hospital and the Sequoia Hospital District through its growth in size and reputation, through some of its most difficult decisions, including the most recent one to save the hospital by affiliating with Catholic Healthcare West.

Mr. Faro currently serves as a member of the Sequoia Health Services Board of Directors. He has served as a member and director of many professional organizations, including the Hospital Consortium of San Mateo County, the American College of Health Care Executives and the West Bay Hospital Conference. He currently serves on the Board of the American Heart Association (San Mateo Chapter) and the Heart Association California Affiliate, the Redwood City Chamber of Commerce, the Sequoia Hospital Employees Credit Union and the Advisory Board of Bay Area Bank. He has served in the past as an advisor or director of the Committee for Radiology Technologist Education, the Sequoia Union High School District, the Sequoia YMCA, and the Sequoia Chapter of the American Red Cross. He also served honorably in our Nation's Armed Forces.

Art Faro is a licensed commercial pilot, a certified scuba diver, and an ardent photographer, jogger, bicyclist, backpacker and traveler.

Mr. Speaker, Art Faro has been an extraordinary leader in San Mateo County and has given important public service to his community and the Sequoia Hospital District. I've been privileged to work closely with him and I'm proud to call him my friend. I ask my colleagues to join me in saluting Art Faro as he retires from Sequoia Hospital and wish him well as he embarks on new chapters in life.

#### EXPRESSING SUPPORT FOR HOME- AND COMMUNITY-BASED CARE

HON. NEWT GINGRICH

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, September 27, 1996*

Mr. GINGRICH. Mr. Speaker, as a cosponsor of important legislation introduced by my friend, colleague, and member of the Task Force on Disabilities, STEVE GUNDERSON, I wish to express my support for home- and community-based care. This initiative was advocated by people with a personal interest in attendant services—the disabled—and I believe that this bill is a step in the right direction toward personal empowerment.

I appointed Mr. GUNDERSON to the Task Force on Disabilities back in July 1995 because of his commitment to personal empowerment. He has demonstrated his ability to lead, and I applaud his leadership on this issue. During the debate over Medicaid reform during the 104th Congress, I submitted a statement in the CONGRESSIONAL RECORD in support of home- and community-based care for the disabled based on recommendations from the Sixth District Disabilities Task Force which I appointed in Georgia, and urged States to develop programs that provide these services. It is only by giving States more flexibility to develop these innovative programs that the Government can efficiently and effectively meet the health care needs of Medicaid recipients. I am aware that this proposal may have significant cost implications, and I believe that careful consideration and additional input will help ensure a sound policy decision.

I am hopeful that we can move away from the current bias toward institutionalization in favor of home- and community-based services, whenever appropriate. This is an important bill for helping the disabled to lead a fully integrated life.

*Friday, September 27, 1996*

Mr. KANJORSKI. Mr. Speaker, I am pleased today to have the opportunity to congratulate Maternal and Family Health Services Inc., on the occasion of its 25th anniversary. On October 3, 1996, the community will gather to commemorate this milestone and I am honored to have been asked to participate.

Maternal and Family Health Services was established in 1971 to address the needs of healthcare for the women of northeastern Pennsylvania. In the beginning the focus of the Maternal Health Services was to provide subsidized family planning services to women in need in northeastern Pennsylvania. In June of that year, the agency received its first funding from title X of the United States Department of Health, Education and Welfare.

Since 1971 the scope of the agency has progressed to encompass a variety of women's healthcare issues. Addressing the need of quality prenatal care for economically disadvantaged women, the agency began its Maternity Services Program. Adequate prenatal
